Messaging Scottish MPs

Support those against, share concern with those in favour, always courteous.

SIMPLE INITIAL APPROACH

Dear.....

I am concerned about the Assisted Dying Bill.....

Ask the MP to declare/describe their feelings....

As the vote on this issue will affect the reality of all people in the UK, I expect the votes of all Scottish MPs to be counted. Do you?

RESPONSE OF MP

In response to the MP reply you might use information from the CAAD factsheets (**International Evidence or The challenge of Westminster**) to detail for your concerns if they are in favour, or encourage them if they are against.
